Gebruik van hulpbronnen

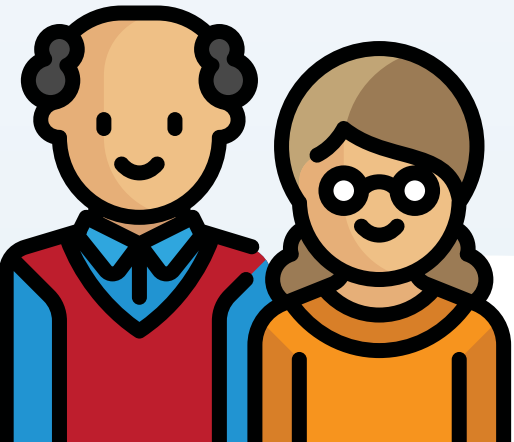

De Posten is verankerd in de zuidwijken van Enschede. Wij hebben een nauwe samenwerking met inwoners uit de wijken, gemeente, scholen, collega-instellingen en het ziekenhuis. Binnen Zorgschakel Enschede werkt de Posten samen met Zorggroep Manna, Liberein en Livio op het gebied van gespecialiseerde zorg (wondzorg, medisch-technisch handelen, nachtzorg en personalarmering).

Wij zijn momenteel bezig met een concreet (ver) bouwplan, om te komen tot een woonpark waarin ontmoeten en het versterken van de leefbaarheid nog meer gestimuleerd worden ([LINK](#)).
